Chris Travis

I don't give a fuck nigga  
My songs gon' sound the same  
Bruh, fuck these rap niggas  
Ya'll niggas ain't gotta fuck with me nigga  
I don't fuck with ya'll niggas

Smoking on this kush  
Got me higher than Sirius  
Saying I can't rap, bitch nigga, is you you serious?  
Boy I got the flow  
Leave yo' fucking brain curious  
Fuckin' yo' main ho'  
Leave yo' lame ass furious

Smoking on this loud  
Nigga I can't even hear myself  
Scared of no nigga  
Boy I only fear me and myself  
Bitch, I be the nigga  
I ain't worried 'bout no body else  
Sending threats to me  
I don't care about a nigga health  
Young Chris Travis  
Beat a nigga ass, with my belt  
Fuck this industry  
I'ma do this shit all by myself  
Killing every song  
I got plenty of the fuckin' stealth  
Killing rap niggas just cause I ain't got nothing left  
Bitch I need some money  
I don't need no mothafuckin' help  
Labels know they see me  
Bitch I'm better than your whole shelf  
Fuck a nigga mean  
I'm the best in this shit, yup  
Fuck a nigga mean  
I got next in this bitch, ref  
I'ma kill the spot  
I ain't worried 'bout no cop  
I ain't even gotta shoot  
When I swing niggas flop  
Make yo' fuckin' jaw drop  
Like yo' bitch she on top  
She can't even take the dick  
She like a broken down car  
Bitch

Smoking on this kush  
Got me higher than Sirius  
Saying I can't rap, bitch nigga, is you you serious?  
Boy I got the flow  
Leave yo' fucking brain curious  
Fuckin' yo' main ho'  
Leave yo' lame ass furious
