Chris Travis

I swear all these niggas pussy
Where and when they get to pushin'
Catch me on another planet fuckin' pussy
If you lookin'
Keep a Blunt, that's longer then the fucking nile river
Boy the shit I'm smokin' on
Probably make your spine shiver
While she drinkin' wine liquor
Cup smell like pints nigga
Is you out yo' mind nigga
Let the smoke rise nigga
Survival of the fittest I can take out five niggas
Survival of the fittest I can take out nine niggas

Sippin' lean out the tea cup
Read up these niggas wanna be us, beat us
These hoes wanna see us, when he bust
