

Call Me

Chris Travis

Call me when it's [?]
Call me when it's [?]
Pull up on your hoe

Call me when it's on
Call me when you done the most
Call me think I did the most
Hit me up I'm not involved
Came through and I try your jaw
Came through and you dropped them drawers
I don't need no wife don't call
I don't need no wife don't call
Yeah she tell me 'dat all day long
Yeah she tell me 'dat all day long
Texting me blowing up my phone
Baby sorry but I'm not home
Getting this money I just seen your call
Come back late night, get it on
Come back late night, get it on
You know what the fuck I'm on
You know what the fuck I'm on

Benchpress the [?]
[?] got me gone
I'm in my zone, these niggas be so wrong
Ran it up on my own, ran it up on my own
I ain't got no fucking boss, that I condone
Shawty it got weird, dressed up in a thong
Took it down, forty minutes to a hour just put it on

Shawty so thick, I want that lil' bitch
All on my dick, she sloppy, she swallow my kids
Yeah come [?]

Yeah back in LA, back to the taste
I get the guala these niggas hate
These niggas fake they want my women
They want my money, they wanna be in my position
But niggas ain't putting no foot in, working
Bitch I'm steady working, fuck on your hoe she stay twerkin'

Call up my phone, all day [?] long
Can I get some time, to my self alone
Can I get some time, to my self alone
Can I get some time, to think it on my own
Can I get some time, to watch these niggas' woe
Can I get some time, to watch these bitches' woe
Can you get me some time, for you to watch me grow
Can you get me some time, for you to watch me show

That you on the greatest, that you on the latest
Been in this game for some years, bitch, I'm gon' play it
Shawty I'm just saying, getting money I'm saying
I'll catch a pussy down back if you think I'm playing
Niggas think I'm playing, I ain't really fucking playing
I ain't even gon' add to that shit 'dat what I'm saying
Baby, 'dat my plan, get money my plans

Need my fucking checks in fuck' advance
