How you niggas feel, now your boy getting it  
And how my ex feel, know I'm 'bout to be rich  
And I ain't fucking with y'all niggas, y'all ain't 'bout shit  
I feel my body draining from this Actavis I sip  
And nah I can't stand, cause a nigga soon to tip  
My O.G. told me boy your ass a little pimp  
He already know I bring them bitches off the strip  
I fire that trick goonie and let that motherfucker rip  
Shout out to my niggas, we don't be up on them blocks  
Serve in empty houses, middle fingers to the cops  
I'm on some trap shit till my fucking album drop, bitch  
You a fucking lie, if you think I'm 'bout to flop, pussy

Diamonds on your ho, got them diamonds on your ho

She wanna get high, I said sip it slow  
Her boyfriend mad cause them diamonds on his ho  
She past me a black but I ain't tryna' chase that smoke  
She said I wanna fuck, but let's keep it on the low  
I said bitch you crazy cause your friends already know  
I know they want a nigga, they just keep it on the low  
But I don't give a damn cause I'm just fucking these hoes  
Say bitch you got it wrong, don't be tryna' seem close  
I can't wife a bitch cause I need time for some growth  
And I don't spend no money on a gold digging ho  
And yeah you obscure, cause you must didn't know  
And tell your boyfriend my niggas got it for the low

Diamonds are a bitches best friend  
This is the legacy, where it all begins
