Drinkin Water Mane

Chris Travis

```
Aye, Waterboyz ENT
I'm drinkin' water mane, getting dollars mane
Never show my face, unless I'm getting paid
Shawty know my way, and I feel her pain
I don't know you mane, get up out the way

Smoking out the room, but only to myself
This bitch be gettin' mad, because I stay to myself
Bitch I'm posted up, never open up to ho or something
I can see the truck, tires slowin' up
Money showin' up, yeah we blowin' up
People know what's up
I'm driving fast man, in the fast lane
Fuck my past man, fuck my last man
They don't understand, I became the man
Now they wanna a plan, but they can't come over here

Aye, Waterboyz ENT
I'm drinkin' water mane, getting dollars mane
Never show my face, unless I'm getting paid
Shawty know my way, and I feel her pain
I don't know you mane, get up out the way
Aye, Waterboyz ENT
I'm drinkin' water mane, getting dollars mane
Never show my face, unless I'm getting paid
Shawty know my way, and I feel her pain
I don't know you mane, get up out the way

Aye, Waterboyz ENT
I'm drinkin' water mane, getting dollars mane
Never show my face, unless I'm getting paid
Shawty know my way, and I feel her pain
I don't know you mane, get up out the way
Aye, Waterboyz ENT
I'm drinkin' water mane, getting dollars mane
Never show my face, unless I'm getting paid
Shawty know my way, and I feel her pain
I don't know you mane, get up out the way
Aye, Waterboyz ENT
I'm drinkin' water mane, getting dollars mane
Never show my face, unless I'm getting paid
Shawty know my way, and I feel her pain
I don't know you mane, get up out the way
Getting waterboyz, give me water boyz
```
