

## Flex Action/Wherever You Want (10:15 P.M)

Chris Travis

I'm just flexin'  
Shawty I'm just flexin'

All these bad women in my mothafuckin' section  
I'm just relaxing, like I'm on a Aspirin  
Everything has a reason behind a happening  
Niggas know about me, you ain't gotta ask shit  
Posted up in Cali smoking on a fruit bag bitch  
I'mma live good, eat good and be happy  
Niggas hate on me cause they fuckin' life is damaged

Wavy nigga for life

Wrist

Girl we can go wherever you want  
Ever you want, ever you want
