

I'm Winning

Chris Travis

All these niggas hating on me
I ride around for them who lonely
Are you a girl or a woman
You're either nobody or someone

All these niggas hating on me
I ride around for them who lonely
Are you a girl or a woman
You're either nobody or someone

It's been a minute
Now a nigga winning
Kush to the brain and my damn head spinning
Gotta thank God cause' a nigga still living
Gotta get rich not become a statistic
Hold up, let me wait a minute
Dread head nigga but I'm with foreign bitches
Posted in my city better known that's me bitch
No give outs fuck nigga this ain't Christmas

I'm winning
Hell yeah my nigga I'm winning
Hell yeah my nigga I'm winning
Hell yeah my nigga I'm winning
Hell yeah my nigga I'm winning
Hell yeah my nigga I'm winning
Hell yeah my nigga I'm winning
Hell yeah my nigga I'm winning

I'm back like I never left
All I care about: money, weed, and my health
I'm tryna' get rich, tryna' get wealth
Alphabet Chris, double G's on my belt
Said they won't help, they don't wanna help
They wanna see me fall and stumble on my steps
But I can't fall, too busy at the top
And my dime bitch gotta' give the best top
Everybody pause when a young nigga drop
Cause everybody know that this young nigga hot
They don't see me, they don't believe me
Know niggas plottin', everybody scheming
Sleep when I'm dreaming
Man this shit is easy
Hoes wanna fuck, said hoes wanna tease me
Hoes wanna fuck and hoes wanna please me
Sorry baby girl but it's not that easy
They say I'm the truth
Even when I'm not in the motherfuckin' booth
Niggas talk big with a small ass crew
Boy I talk big about myself, what it do
Yeah you're really not tight, April fools
Yeah you're really not tight, April fools

Some niggas hate me
Some niggas diss me
Some bitches love me
No bitches kiss me

Some niggas hate me
Some niggas diss me
Some bitches love me
No bitches kiss me

"If I wrote you a symphony
Just to say how much you mean to me, you do
If I told you you are beautiful
Would you thank me or keep backing up, would you
Well baby, I've been around the world
But I ain't seen myself another girl
Like you
There's something that presents my heart
But there's nothing else I need from you
But you"
