

# Let Me Up

Chris Travis

Imma get money  
Smoke good, get higher  
She don't wanna fuck  
Now I know she a liar  
Days go by as a nigga get [?]  
Shawty say she ready  
She gonna make a nigga ride up  
Hundreds on the table  
See my name on the flyers  
But I ain't showin less I'm paid by the thousands  
Young Kenshin Travis fully runnin, no mileage  
Bout to go the fuck up and go plot out on an island

Yeah nigga ridin with my boys and we wildin  
Waterboyz on stage  
Bout to surf the crowd bitch  
Niggas keep talkin round, but they can't down me  
Three hoes lost me, but they can't doubt me  
Nigga catch me lowkey  
They won't ever find me  
Nah I ain't scared  
Pussy nigga I ain't hiding  
Ridin in the coupe  
Shawty say she want to drive it  
Bitch sit back cause ya better off ridin  
Blowin on this gas got me thinkin bout my past shit  
Makin sure my next bitch meaner than my last bitch  
Makin sure my next check bigger than my last check  
Niggas want to buck fast  
Get his ass stunted  
I ain't gotta go around talkin all this tough shit  
When it all pop just know Ima bust quick  
Watch em all drop then go watch Netflix  
That's the consequence for anybody that's talkin shit

Imma get money  
Smoke good, get higher  
She don't wanna fuck  
Now I know she a liar  
Days go by as a nigga get [?]  
Shawty say she ready  
She gonna make a nigga ride up
