Might start a holocaust
She want that water, Voss
She wanna shake it off
I'm in the front waitin
I'm bout to break you off
My dick hit like cinnamon sticks
Your bitch lit till she call it quits
My necklace Sierra Mist
Bitch so what Ciara shit
Hop in the back ain't barring shit
Might get my nigga ain't sparing shit
My day in December I carry it
You niggas ain't nothing but embarrassing (huh)
Mud talk, pull up with drugs out
You niggas just want clout, I don't even do nun'
I keep a bad bitch, dressed in a blue bun
You bitches get cut off, sumn like a coupon
