

Never Losing

Chris Travis

Jumped inside this game but never losing
Had to wake these niggas up cause they was snoozin'
Bitch my car drive itself, you see me cruisin'
They sent them papers back and no I didn't approve it
We gon' slide up on them niggas in a hooptie
Bitch you stupid as the fuck think we not shootin'
I be sellin' out these shows, won't catch me hoopin'
I ain't buyin' a hoe shit but got the coochie
You the type of nigga go and give her smooches
I'm the type of nigga leave her pussy creamy like a smoothie
I ain't never do the drugs to just abuse 'em
I get high as fuck cause that's just how I'm movin'
Pull a tank out the garage, I think I'm Newman
Imma spill my heart and soul on this new, man
If I like a bitch I tell her lets get to it
I ain't tryna waste no time
I'm tryna screw it and you knew it
I ain't walkin' round this bitch just actin' clueless
I'm a grown ass man, ain't got time for shit that's stupid
I smoke two blunts back to back and then I do it
And you already know who set the blueprint, bitch
