

# Restless

Chris Travis

Water, water, water  
Drip, drip (Water)

I bring a bitch to the party, off the shit  
It's 10 A.M, I'm in the mud just like a kid  
Ran inside the house and get my shit (Bah!, bah!)  
Everyday is like a motherfuckin' test... (Bah!, bah!)

Y'all niggas rest where the piss  
I am too blessed  
Buying you all out the set  
Pull out, don't aim at his chest -  
We up at his his head or his neck, which ever make it  
I never rest, wake up at 5a.m. just to do shit  
I had to make it  
No sir, I can't be a target  
I'm built to destroy my opponents (Swah!)  
Drop kick a nigga, Jeff Hardy  
Then make sure they ain't in they conscious (Swah!)  
Bitch I smoke dope in abundance  
I don't wanna go hit your function (Swah)  
Y'all niggas bitches I rip up your image then throw it back at 'cha  
All of these niggas know where I'm at, so, I tell 'em just catch up  
You can be hotter than hot but you don't got a house, so you livin' on letters (bitch!)  
I can just fly your bitch out, and she gone for a while and you think it's a setup  
Mama told me 'keep my head up'  
Fuck these rap niggas, can't let up  
Fuck these fake bitches, I'm fed up  
You ain't in my circle, you ate up  
Pour up, I'm poppin' a soda  
Said I was finished but no sir  
Can't even think when I'm sober  
She wanna fuck 'cuz I'm colder  
Walk out the hood, jus' get fresher  
Spending them bands a bit better  
Pussy ass niggas, you scared  
Pussy ass niggas, you scared

Bitch, you off the shit  
Twenty thousand dollars just to see a nigga glisten  
I'll smack a nigga if he don't come correct  
I'll smack a nigga if he don't come correct  
Bitch! You off the shit  
Twenty thousand dollars just to see a nigga glisten  
I'll smack a nigga if he don't come correct  
I'll smack a nigga if he don't come correct... (Bah!, bah!)  
Bitch!
