

She Wanna Smoke

Chris Travis

Hey

Brought her to my spot
She don't wanna do nothin' but smoke
Baby take it slow, ain't nobody gotta know
Livin' in the trap, trap, trap on the low
So why don't you be my sun through the sleet and snow

I don't want your promo
Baby bounce up on my dick like a pogo
Different color diamonds lookin' rainbow
Simon says you rappers fucked the same hoe
That just be a lane, its somethin I can't go
I don't want no pussy I need bankrolls
These bitches be so lazy just join BangBros
Fuck bitch can't not play me, know how the game go
Some dimes they have rabies, I can't hang low
Keep em up in check, but let that chain go
Where the fuck my chain go?
Thank god that I don't eat those
Told her bounce that ass up on my dick, slow-mo
Told her ride it fast, it's a stick po-go
I can make DiGorno
If you hungry I can make it pronto

Brought her to my spot
She don't wanna do nothin' but smoke
Baby take it slow, ain't nobody gotta know
Livin' in the trap, trap, trap on the low
So won't you be my sun through the sleet and snow
