

So Conceited

Chris Travis

I'm so conceited my nigga
I love to brag
I want to buy my mom a Jag
My bitches titties is perky they do not sag
That hoe is fresh out that box, yeah she is a brat

Tell that bitch to back back
I know she a nat nat
I be riding matte black pull up in them hatchbacks
Sped off cause she couldn't last
All I smoke is preme gas
Lil shawty got mean ass
I fucked her didn't mean it
I fucked her this evening
Bitch you know I'm steezing
Me and Tracy steezing
My heart on a sleeve man
Bitch can't even take shit, cause you know I'm a demon

I'm so conceited my nigga
I love to brag
I want to buy my mom a Jag
My bitches titties is perky they do not sag
That hoe is fresh out that box, yeah she is a brat

Tank full of gas, me and Chris drive it fast
Rihanna sluts yea I love to relax
I see Ice in my mouth
You can see it when I laugh
Russian hoe asking when I'm coming out
I like foreign money
Yeah boy I love to count
Me and Chris kill the show
Get paid then we out
Then we out

I'm so conceited my nigga
I love to brag
I want to buy my mom a Jag
My bitches titties is perky they do not sag
That hoe is fresh out that box, yeah she is a brat
