

## Space Jam

Chris Travis

I'm handsome  
Bitches say I'm handsome  
Niggas they can't handle me  
So dismantle me  
I'm like Space Jam hoe  
Jumpin to the cash hoe  
Spend it make it back though  
Then smoke up and relax hoe

She going through my phone tryna see who I'm textin  
Know she fuckin niggas but I ain't gon flex it  
Motherfucking bitches but she act on sad shit  
Til she get a chance to throw it in my face quick  
Really think I care getting new bitches daily  
On the fucking hunt for some food and my savings  
Man these bitches shit just the way I escape shit  
Any other shit just be in the way shit  
Sayin' that you love me bitch you can save it  
Sayin' I'm your hubbie bitch you can save it  
Niggas so basic I skate to the cake bitch  
I don't need nobody bitch I'm already anxious  
Already anxious

I'm handsome  
Bitches say I'm handsome  
Niggas they can't handle me  
So dismantle me  
I'm like Space Jam hoe  
Jumpin to the cash hoe  
Spend it make it back though  
Then smoke up and relax hoe
