

Ion need no drama bitch I gotta get my mind right  
SRT engine leave yo ass at the red light  
How the fuck you chilling if you ain't made yo bread right?  
Better moving cautious 'cause these niggas ain't got their head  
right  
Niggas need beatings keep it going with persistence  
If you fall off, pick it up, with consistence  
I, made a vow, to the grind, I'm committed  
Ain't never sent no tracks for submission

Bad little bitch break her back in submission  
No situation where I ever felt resentment  
These rap niggas prolly somewhere penny pinching  
For the trap niggas chef it up in the kitchen  
Star on my neck and it glisten  
All I speak is facts niggas better pay attention  
Stat after stat, better not see [?] missing  
Hoes in the water got her real inhibitious  
I got a show in the Bay, I'm in LA  
I get the horse and the hay  
We cannot hang you is fake  
Over your face, able to stay in your place  
I know they prey on the bait, I do this straight  
I gotta stand on my faith, nigga don't hold up my way  
Meant what I say, and I stand tall on the base

Cash and the coke, let me drive the boat  
Fast as I rode, down the coast, let me go uh  
Fiendish lil nigga yeah we keep it on the road  
Real young hustlers bitch we never ever fold  
Boy I got the nine bring it back and let it go  
If you try to take something I send it down they road  
And I'm moving fast, can't find comfort when I'm slow  
Gotta do the dash on this life shit fasho
