Chris Travis

Big moves I ain't even gotta talk right
I'm in my life mother fuck the spotlight
Fuck your pussy, baby, tell me what your heart like
Bought a bitch on the net like it's Twilight
These niggas I neglect I do not like
I don't listen to you music I [?]
Waterboyz, bitch, we on it like a copyright
I need an O and a P can you copy, aight

I'mma go, can you go, need to know, bitch
Make it blow, on the low, keep it focused
You my nigga, kept it true, I let you hold 'dis
You my bitch, kept it loyal, now we glowing
