Look

I want big smoke big dope get choked get roped exposed
He know, she know, they know better look through the peephole
You claim I have no friends but you been a zero
Slay hoes you save hoes, nigga better not be a hero
Get right sit tight bet the wolf won't howl at the moon night
Sworn right harm right take his eyes now he don't see light
Barks off get lost invite your bitch damn make her turn her phone off
Shes off he's lost no cum cause he sunk like a sunk like a [?]

I didn't wanna do it but this is rap and this is competition
Aight, Water
Bitch

This ain't no game walk through the rain head to the sky never
falling for pain
Niggas they really switch up for the fame
I don't seen't this boy I'm saying your name
I give a fuck about some jewelry or fame
Saving the world cause it's calling my name
Back in the day nigga back in the day I was scraping up shit trying to buy me some chains

Fuck boy get right
Nigga beat you right like it's virgil right take yo shit I might
