

I'm in water season, tryin' it for no reason

Dopin' with the deacon, million dollar meetings
I can't even beat it, I'm independent eatin'
Water, bitch, I drink it, [?] f*ck you thinkin'
These niggas brazen streakin', the paint is [?] it's leakin'
Bitches lootin', freakin', I smoke a pound a weekend

Hurricane a singer, Aquaman a singer
Aquaboy the saga, I don't f*ck with coppas
Ima one man roster, sleep on [?] no shocker
Feed her [?] more vodka, now she actin' aqua
I make bread eat lobster, ain't shit that you stoppin'
Ain't no chance I'm floppin', p*ssy nigga stop it
