

# Feelin' Like

Chris Webby

I'm just trynna get my vibe right, trynna live that highlight  
Twenty-twenty I stay, focused on those five nights  
If they ain't feeling it fuck it at least I tried right?  
But at least I caught a little tan up on this lime light  
At least I made through the game and got my soul intact  
At least I made it out my motherfucking [?]  
I started with a shitty hand but never folded back  
Eyes on the roll, with no intentions on going back  
Sticking to my guns like they [?] up on this civil war  
Kept it independent now the game is on the [?]  
Cooking up this music leaving lyrics on a kitchen floor  
Now I got the life that I was always wishing for  
Let them hate this, 2015, now I'm on your little sister's playlist

And it makes sense, I put it working for years  
Now I'm crusing with no brakes in the path of greatness like

Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh, I be feeling like  
Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh, Y'all be feeling like  
Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh, We all be feeling like  
Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh

Vibe is so authentic everybody's pressing rewind  
Flow is in a ball like Webby never spit a weak rhyme  
And they all gon' see I'm, higher than the tree line  
Chill up in a cannabi' while throwing up a peace sign  
Living like a hippie, what's the matter with that?  
No matter [?] ain't no telling where I'm travelling at  
See this shit it ain't no average rap  
Now I got the ball up on my cord and I won't give it back till it's flat  
Ya-ya, ya-ya, ya-ya, I gotta represent  
They know where I'm from from the second that I been stepping in  
So let me get it in, check over my head and you gon' see a light bulb, bulb-  
bulb, Thomas Edison!  
Time to take this! Cause victory is in my grass, I can motherfucking taste it!

And it makes sense, I put it working for years  
Now I'm crusing with no brakes in the path of greatness like

Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh, I be feeling like  
Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh, Y'all be feeling like  
Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh, We all be feeling like  
Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh

I'm just trynna keep my head right, on this path that I must go (that I must go)  
Only got one head light, as I travel on that road (travel on that road)  
Everybody better recognize never side and just watch the show (just watch the show)  
And now we all be feeling live, oh-oh-oh-oh-oh-oooh!

Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh, I be feeling like  
Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh, Y'all be feeling like  
Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh, We all be feeling like  
Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh-Oh, Oh-Oh-Oh

Yama! Pass the g my son!
