Yeah, see I've been grinding for a long time man But I'm here now, there goes the neighborhood I guess, huh You see I'm here to save the day with this music Grinding to the point I think I'm really gonna loose it But I won't lose nothing, They trying to step to me but sh\*t you think you could do better with it hom ie Then go and do something, ah They trying to tell me I'm crazy, but sh\*t I'm crazy good Step into your city, they sayin' there goes the neighborhood The sale signs go up as soon as I show up They building bomb shelters cause they know I'm gonna blow up, ah Bright future, they say I'm a ticking time bomb Until I'm up on MTV, waving saying hi mom Grab your video cameras and get your night calms Making history from the second they flip the lights on I made it off being business savy and street smart Who needs a co sign, I let the beats talk I don't need another rapper lending help Telling listen to some dope cuz  $sh^*t$ , I tell him that myself I'm just playing what I'm dealt, sh\*t it's been a long road But I got a lot under my belt and I felt At times it was a lost cause But I always got back upon my paws dog So I know I'm gonna make it in the long haul Sh\*t it's now or never homie, I cannot stall So I'm gonna reach out for the stars and I pray for the best And that's how it's gonna be until the day of my death, word Just play in, tune in to this music Have no fear, I save the day with this music My city on my back, and I'ma take it wherever I go Wherever I go, wherever I go, wherever I go Say hello to the new guy in town There goes the neighborhood, it's what they say This is 12 years in the making, far from immediate But now it's time to sink my teeth in it, I'm on my beastly sh\*t, cause I'm sick as f\*ck You don't believe me b\*tch, then go ahead and spit that semen on a petri dis You need sterilizer just to give me dap Unless you want your immune system attacked, real rap I'm not doing no duggy, these f\*cking idiots should drop the swag and take n otes Cause they can learn something from me This is all I do man murder instrumentals With this fire off the top like sweet tooth in twisted metal I'm spitting rebel with a cause, deadly with the bars Underdog since day one, wasn't expecting your applause I respect your damn opinion, if you don't like my music But if you don't respect my hustle, then you ain't paying attention I pay so many f\*cking dudes my wallet's empty Ain't a person here stopping Webby, motherf\*cker Just play in, tune in to this music

Have no fear, I save the day with this music

My city on my back, and I'ma take it wherever I go Wherever I go, wherever I go, wherever I go Say hello to the new guy in town There goes the neighborhood, it's what they say.

F\*cking animal, Webby's the Serengeti type They whipping Lambos, but I made it on a pedal bike Not even Gatorade replenishes electrolytes I burn, going nuts from the f\*cking second I get the mic I'm the grittiest grimiest and the wittiest, yeah Jack the ripper to the beats I'm getting busy with, yeah And half these rapper idiots ain't even literate I'm battle tested and ready, Webby a young Odysseus Fire in my eyes and I hunger for success I'm hunting for the title, while they hunting for a check, yeah Wondering what is next, but I'm going in fists swinging Till your ears ringing, they don't expect what this kids bringing Though if you didn't notice, so homie just don't provoke it I got my state on my shoulders, till I'm getting scoliosis Never gonna stop, my life is like the script of vertical limit Motherf\*cker I'm getting to the top

Just play in, tune in to this music
Have no fear, I save the day with this music
My city on my back, and I'ma take it wherever I go
Wherever I go, wherever I go, wherever I go
Say hello to the new guy in town
There goes the neighborhood, it's what they say.
