

WDGAF (We Don't Give A Fuck)

Chris Webby

If you don't give a fuck
Then I don't give a fuck
So we don't give a fuck
No we don't give a fuck
If you don't give a fuck

I don't give a fuck steppin' the party already sloppy
Adderall and E pills just watch me
Got my flippin' like rice and hibachi
Ninja turtle and the gorilla no one can stop me
Yo Zoe come here I think this chick wants to fuck you
Finish your beer I'm a take a little brunette friend
And pull my pants down and see if home girl has a handlin'
Pull back NDMA G's up hoes down till we roll for days
Doc says I got a hole in my brain
But I just need to rub a room mother fucker
Cause I'm flowin' insane
Split flames like a dragon what
Two balls so big I gotta drag my nuts
Trojan ultra thin I wrap it up
Now shorty come here and just back it up

If you don't give a fuck

So we don't give a fuck
No we don't give a fuck

Lookin' for some bitches to fuck
They're like "Oh my god that's disrespectful! "
Don't blame me it's a mother fuckin' pencil
Get it in my hand and I go straight mental
Tiger blood runnin' through my veins like a Bengal
Didn't see this comin'
Then quick on the brake got the whole place jumpin'
Fuck you bitch I am not fist pumpin'
Middle finger in the air like fuck you dunnas
What? Now we don't give a fuck
See your middle fingers up
