

# A Couple Of Forevers

Chrisette Michele

I see it clear, my heart is here  
We got each other, let's take it from there  
And if I could I'd love up you forever at time, oh, oh, oh  
What we been through no one else knows  
Cause all that matters is how far this goes  
And it will go until it starts again, oh, oh

Me and you are built like armor  
Nothing can stop love from loving on us  
You know I'm not asking for much

Just a couple of forevers  
A couple of forevers  
I'm the only one, you're the only one  
Together 'til never

I'm talking about forever  
Just a couple of forevers  
I'm the only one, you're the only one  
Together 'til never

It can get hard, damn it gets rough  
It can get crazy but not for us  
Guess we gotta struggle just to stay apart

Me and you are built like armor  
Nothing can stop love from loving on us  
You know I'm not asking for much

Just a couple of forevers  
A couple of forevers oh, ooh  
I'm the only one, you're the only one  
Together 'til never

Oh, I'm talking about forever  
Just a couple of forevers  
A couple of forevers, oh  
I'm the only one, you're the only one  
Together 'til never, never never

Can you see it, oh oh ooh oh  
Can you see the signs from above  
It's so blinding,  
There's no denying

You and me are built like armor  
Nothing can stop love from loving on us  
And I'm not asking you for much  
A couple of forevers  
Ever, ever  
I'm the only one  
I'm the only one, you're the only one  
Together 'til never  
Together 'til never  
Ever,  
Forever and ever, and ever  
Ever,

Forever and ever, and ever  
I'm the only one, you're the only one  
Together 'til never  
Together 'til never
