

## Be Ok

Chrisette Michele

I'm a drive my Lexus to the mall  
Get a little black dress just because  
Me and my boo just broke it off  
I'm a stay fly although he's gone  
I don't really care about who he's with  
I'm get mine and he'll get his  
Even though I was in love with him, I really hope the best for them

Very sentimental  
And my cryings detrimental,  
Tell me what I'm getting into,  
I can't lose my mind.  
I think its time for me to let go cause my heart can't take it no mo,  
You were all I lived for but I leave you behind.

I'm a be OK,  
I'm a be OK,  
I'll survive, I'll be fine, I wont cry, no way  
I'm a be OK,  
I'm a be OK,  
Don't you talk, I'll move on,  
Baby walk away

All I gave to you, I'm so broke and blue  
Make believe its cool I'm so over you.

I'm a keep my head up hold it high,  
Really did my best God knows you try  
Even though it hurts I will survive,  
I'll wipe my eyes, I'll say it loud  
Take a deep breath and count to 10,  
Today's a new day I'll start again,  
I'm a find myself so deep within,  
I'm a survivor I'll win

Very sentimental  
And my cryings detrimental,  
Tell me what I'm getting into,  
I can't lose my mind.  
I think its time for me to let go cause my heart can't take it no mo,  
You were all I lived for but I leave you behind.

I'm a be OK,  
I'm a be OK,  
I'll survive, I'll be fine, I wont cry no way  
I'm a be OK,  
I'm a be OK,  
Don't you talk, I'll move on  
baby walk away

I gotta rock the mic I'll be right back,  
Gotta catch a flight, my samsonite's packed,  
3 months rapping all around the map,  
Girl I see you on the internet on ichat,  
Cyberspace is the place to see my lady,  
Baby we can instant message on the daily  
Half way you could met me out in Asia

Cause 90 days without seeing you is crazy.  
We got 3 days banging up in Shang Hi  
Last day I see the water hanging in yo eye  
I know my mama told me not to make a lady cry  
But that's impossible when all i gotta say is bye  
But I'm a, I'm a

I'm a be OK,  
I'm a be OK,  
I'll survive, I'll be fine, I wont cry no way  
I'm a be OK,  
I'm a be OK,  
Don't you talk, I'll move on baby walk away

All I gave to you, I'm so broke and blue  
Make believe its cool I'm so over you.
