

Reinvent the Wheel

Chrisette Michele

They frame and flash and advertise every time I open my mouth
But one intention every time I open my mouth
I might look crazy, blame God, who made me
That's how He made me
Reach every nation anywhere that they ear can hear it
I can rebound, adjust, one sound, I'm fit, no air
I might look crazy, blame God, who made me
That's how He made me

I'm not one sound, I'm not one voice
I am not here, keeping the wheel rolling, wheel
I reinvented, I redirected, the unexpected, that's my gift
And I respect it cause I was sent yeah to break the wheel
Wheel, set to break the wheelm reinvent the wheel
That's why I am here, that's why I to break the wheel
Sent to break the wheel, reinvent the wheel
That's why I am here, that's why I, to break the wheel

Cause I break instead of crashing and do what's been done
If you crazy, do the same thing, want to do, I can
God is always good, yeah, and he holds your path, yeah
So you can't be watched, hidden make you eyes
I can't be you, mimicking ain't no fun
And I can't keep winning races I already won
Today is now, yesterday happened
I need fresh oil under my action

I'm not one sound, I'm not one voice
I am not here, keeping the wheel rolling, wheel
I reinvented, I redirected, the unexpected, that's my gift
And I respect it cause I was sent yeah to break the wheel
Wheel, set to break the wheelm reinvent the wheel
That's why I am here, that's why I to break the wheel
Sent to break the wheel, reinvent the wheel
That's why I am here, that's why I, to break the wheel

[Mali Music:]

I look to the left, I look to the right, it's like this
Every time I blink, it's like some ghost come get at me
Every time I think, it's like some dope boy got a million
Record want them number one
See that's on my partner, we saying
But in Morocco we say shit
Made like a Glock and go bang
[?] and Pac, keep praying
Stay in the yard, keep laying
The real don't stay broken, just saying
Reinvent that when I stop playing

I reinvented, I redirected, the unexpected, that's my gift
And I respect it cause I was sent yeah to break the wheel
Wheel, set to break the wheelm reinvent the wheel
That's why I am here, that's why I to break the wheel
Sent to break the wheel, reinvent the wheel
That's why I am here, that's why I, to break the wheel
