

# She Won

Chrisette Michele

This one's to all my chicks out here  
Making changes on the planet  
I know this one chick who sell a bunch of So that other paper  
Next thing I know sure you got a shot  
Caramel with a This how the whole block got on  
One dream now millions  
(She won)

This one's to all my girls  
Who for professions  
Supermodel, super get 'em  
This the year of the boss babe queen  
Write a book, start a business dream  
Oh, yes girl you go  
Have a party at the Take a shot, celebrate  
She won, she won, she won

(She won)  
Don't try to deny it  
She on fire and you like it  
Click a heart two times  
(She won)  
She be winning and you like  
That she'll be watching you inspire  
Don't deny, it's alright

(She won)  
Don't try to deny it  
She on fire and you like it  
Click a heart two times  
(She won)  
She be winning and you like  
That she'll be watching you inspire  
Don't deny, it's alright

This one's to all my pretty chicks  
With makeup brushes  
Backstage in the dressing rooms  
All night, what about my belles  
At the bar working off these tips all night  
Your never know  
Maybe she hustling 'Cause she wanna go to school  
I met a nurse last week off the Off the street from the projects

Every boss babe need love  
Last word from the man above  
If you make it and win  
Apologize for your sin  
And trust

(She won)  
Don't try to deny it  
She on fire and you like it  
Click a heart two times  
(She won)  
She be winning and you like  
That she'll be watching you inspire

Don't deny, it's alright

(She won)

Don't try to deny it

She on fire and you like it

Click a heart two times

(She won)

She be winning and you like

That she'll be watching you inspire

Don't deny, it's alright

Don't apologize for what she had to do

To make it out the tunnel vision

Of the vision of the tunnel Never looking, never finding

Why she winning by design

And if divine leaves the divide

Then it's the God inside

Mama when she harvesting

Have a beginning end in marveling

So marvelous, work

My girl if you work

And everyone look

And every judge

Yes she won, watch the life

She won, she won

She won, she won

She won, she won

She won, she winning

(She won)

Don't try to deny it

She on fire and you like it

Click a heart two times

(She won)

She be winning and you like

That she'll be watching you inspire

Don't deny, it's alright

(She won)

Don't try to deny it

She on fire and you like it

Click a heart two times

(She won)

She be winning and you like

That she'll be watching you inspire

Don't deny, it's alright
