

To the Moon

Chrisette Michele

I'm happy to, I'm shaking
Whatever you want boy, I'm on deck
Waiting long, I'll take the road
Wake up last, I'm cool with that

Cause you're human and I'm human
And we knew it won't be easy
But we cruising, we grooving
We travelling to the moon and back again, back again

Baby you're by my side
And I'm ready to touch the sky
Baby you hold my hand
Then I know you and I can fly

To the moon and back again
To the moon and back again
To the moon and back again
To the moon and back again

Far away, I'm never saved
But I can trust you, you love me
You'll be gone, all your mistakes
Love ain't perfect, but that's okay

Cause you're human and I'm human
And we knew it won't be easy
But we cruising, we grooving
We travelling to the moon and back again, back again

Baby you're by my side
And I'm ready to touch the sky
Baby you hold my hand
Then I know you and I can fly

To the moon and back again
To the moon and back again
To the moon and back again
To the moon and back again
Baby you're by my side
And I'm ready to touch the sky
Baby you hold my hand
Then I know you and I can fly
To the moon and back again
To the moon and back again
To the moon and back again
To the moon and back again
