

Wait

Chrisette Michele

God if I wait
Can you promise me your word won't be late
I'm standing here waiting by faith
I'm trying not to speed up the pace
The world moves way faster these days
Am I missing out on life and on time
I know I won't be able to rewind
The world looks like it's passing me by
But I know your side's not mine

I may not see what's far ahead
I see a light right where I step
Wherever you lead I find rest
I'm blessed
I may not know the other choice
At least I'm sure I know your voice
God, I am yours for I need to wait
I need to wait, yeah
I need to wait
I need to wait, yeah

God, I need peace
I heard it's on the other side of dis-ease
And it's on the other side of this sea-son
So I'm letting go of my human rea-son
Lean on Jesus
I know he will guide us and lead us
It's not his desire to mistreat us
If we aren't careful we'll speed the process so

I'll wait, yeah
I need to wait, yeah
I need to wait
Ooh, ooh, I'll wait

Whoo, whoo, whoo, wait, yeah
God's got everything that I need
He knows everything I will be
Abundant life and prosperity
I believe so

I will wait, whoa-oa
For the Lord is really on my side
Made a promise [?] gave him my life
Now I'm standing in a season of
Ex-pec-ta-tion
And be-lieve-ing
God is with me while I wait

I'll wait till you say go
Wherever you lead me
God, you only I'll follow
I'll start here
I'll start here
I'll wait
On you
I'll wait

On you, ooh
Ooh, wherever you lead me I'll go, yeah
I won't move until you say so
