

Back 2 U

Chrishan

Yeah, yeah, I can see my heart on the floor
It seems like we've been here before
Cursing and the screaming
Best things we've been seeing
And we know we can't ignore

So where do we go from here?
I wish I can disappear
Everytime I leave
You saying things to me
To make me wanna stay right here, oh, oh!

It's like every time I leave I keep running back to you
Say I'm doing me, then come running back to you!
Every time I leave I keep running back to you!
Say I'm doing me, then come running back to you!

Now you got your legs in the air
Now I got my hands in your hair
Come on girl, you know this ain't fair
One minute ago you was tripping
Now your in the bedroom stripping
On it, oh yeah, till six in the morning
Now you're going through my phone
Calling girls from years ago
Can't take it, can't take it anymore
I pack my bags, I hit the door
But this girl just won't let me go, no!

Every time I leave I keep running back to you!
Say I'm doing me, then come running back to you!
Every time I leave I keep running back to you!
Say I'm doing me, then come running back to you!

Girl I hate it when you talk like that
But I love it when you talk like that
You'll be in the bedroom with your heels on
And everything on the floor, oh no!
Every time I wanna leave baby
You do something to me, baby
Don't know why, no, no, no!

Every time I leave I keep running back to you!
Say I'm doing me, then come running back to you!
Every time I leave I keep running back to you!
Say I'm doing me, then come running back to you!

I keep running back baby
I keep running back baby
I keep running back baby
Back to you

I keep running back baby
I keep running back baby
I keep running back baby
Back to you
