She with the lights up, something in the cup
She love to pop a pill every time we f**k
Face down, up in that ass up
She wanna ride it when I'm drivin in my truck
Body kill the k, she a bad bia'
Beat the pussy like I did Tina
She bring her best friend for the weekend
So I f**k em both to the weekend
I know you wanna love me
But I rather stay f**kin
I know you wanna touch me
But you waitin to f**k it
(Beautiful) To be loved in a nigga like me yea
(Beautiful) cuz you're way too f**kin (beautiful)
