Shawty like a drug
First it isn't much
Letcha boy love
No way to explain it
Whatcha occupation
I say I'm in love
Girl you dun got me
Got me got me waitin
Shawty I just wanna take ya
Take you out ta dinner
I can be ya sinner
Just for tonight
Cause baby you're a winner
I wantcha gettin ya ta come
To my house of love

Shawty like a drug
Got me all in love
Baby knew she wanna touch
Shawty feel for a thug
Shawty like a drug
Shawty like a drug
Shawty like a drug
Shawty like a drug
Shawty
She want me like a drug
Never in a rush
Now she got me like she drugged

Shawty what it do
I'm all into you
Lookin for da girl
So don't play me like a fool
My last number one
Is like you times a million
Girl I hit the ceiling
Whenever you through
I'ma make ya get naked
Girl ya can't play it
This lovin I'm bout to put down
Ya can't fake it
Girl I see ya cummin like me
One plus one it's you and me

Ay ay
Ay ay
Ay ay
Ay ay

Shawty like a drug
Got me all in love
Baby knew she wanna touch
Shawty feel for a thug
Shawty like a drug
Shawty like a drug
Shawty like a drug
