

# Like a Jeep

Chrishan

Turn, turn, turn

Love it on the way, I'm starving  
Love you when you put that pussy on the floor  
Love it when that booty gets it bumpin  
Love it when you just can't take no more

Put that body on me girl  
Back it up like a Jeep girl  
Aha, back it up like a Jeep girl  
Aha, back it up like a Jeep girl  
Put that body on me girl  
Back it up like a Jeep girl

Yea,  
Tell me, do you wanna play with it?  
Anything you say  
You can have your way with it

In the room, in the bed  
In the shower, all in your head  
Fuckin up your record bitch, you took and I wouldn't repair  
Don't run, don't hide  
When the bud is love inside  
I'm a go solid, that is gon blow your fuckin mind

Put that body on me girl  
Back it up like a Jeep girl  
Aha, back it up like a Jeep girl  
Aha, back it up like a Jeep girl  
Put that body on me girl  
Back it up like a Jeep girl

Yea,  
Tell me, do you wanna play with it?  
Anything you say  
You can have your way with it

Yea,  
Tell me, do you wanna play with it?  
Anything you say  
You can have your way with it

Yea,  
Tell me, do you wanna play with it?  
Anything you say  
You can have your way with it

Yea,  
Tell me, do you wanna play with it?  
Anything you say  
You can have your way with it
