Pull you your pants real low
Put your hands real low
Take these drugs, these now
Make love all night
Pull you your pants, real low
Put your hands real low
Take these drugs, these now
Make love all night

Pull you your pants real low
Put your hands real low
Take these drugs, these now
Make love all night

Don't you love me, baby, you love me
I can tell by the way that you fuck me
You was sucking all of that shit, so lucky
Caught feelings off of my dick, so funny
So, I'm so, I'm so, man, it's older than me
I'm so caught up in that sex game, no balling
Go so, I go so, I go so deep
Pull that bitch till she sleep, sex game, that's it

Make love all night
Pull you your pants, real low
Put your hands real low

Make love all night

Yeah, well I hope it's not a sin
To make you fall in love when I used to fuck your friend
So if it's all a game then it never has to end
