Chrishan

Do it, do it
Do it, do it
Do it, do it
Do it, do it
Do it, do it
Her a nigga watching pay per view
Cause you know I do what I do yea
When I pass another shot to you
No, but you don't need no chasin, no room
Girl, you're body's lookin so right
You that's what I want, yea
Can I keep you for the whole night?
f*ckin in the moonlight yea
Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it
Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it
Do that shit
Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it
Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it
Tell em I need another bottle
But you know it's like too dirty in LA
Don't trip in on me neh

And we don't got no time to waste yea
Waste, yea
Girl, just put that body in my face yea
I don't want tomorrow, let me up tonight
Give me what I want
f*ckin in the moonlight
Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it
Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it
Do that shit
Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it
Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it

Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it
Cups up to the stars
Getting higher than Mars
We don't f*ck with that bullshit
Do it, do it
Do that shit
Cups up to the stars
Getting higher than Mars
