Over

Chrishan

Damn!... another attitude
... to you, to you
Damn! You gotta see me like you do
Trying to wake you up
But you keep running your mouth
Listen to me, baby!
Damn! I ain't f*cking playing
Oh
Come and hit me know!
Over it, over it, over it again!
Over it, over it, over it again!
She ain't a beauty queen
She's just talking reckless
She don't have a...
She don't have a...
I'm over it again
I'm over, over, over it again!

Damn,..
... my clothes, and my phones out the door
What a f*ck is wrong with you?
I thought I had a winner?
Baby, no!
Damn! I ain't f*cking playing
Oh
Come and hit me know!
Over it, over it, over it again!
Over it, over it, over it again!
She ain't a beauty queen
She's just talking reckless
She don't have a...
She don't have a...
I'm over it again
I'm over, over, over it again!
