Payroll

Chrishan

Man there's so many fake niggas out here
Man there's so many fake niggas out here
I never trust'em cause I'm all about my payroll
I'm all about my payroll
I'm all about my payroll
I'm all about my payroll
I'm all about my payroll
Bitch I'm all about my payroll
I got killers on my payroll
All my thugs look like day-oh

Bitch you know I got that [?]
I cannot make up their bare [?]
So let it go, and they know I got that payroll
No swears in my circle
I'm a knock y'all

Man there's so many fake niggas out here
And there's so many fake bitches out here
I never trust'em cause I'm all about my payroll
I'm all about my payroll
I'm all about my payroll
I'm all about my payroll
I'm all about my payroll
Bitch I'm all about my payroll
I got killers on my payroll
All my thugs look like day-oh

Fuck niggas get paid on
Gotta keep that payroll
They don't talk let's say so
Chopper get that car
Chopper get that hello
And I've been that nigga
Been that nigga since the day
Tell they bout that action
Niggas don't really want it
Niggas say they your friends
Niggas don't keep you 100
Niggas get in some shit
Fake niggas get into running
So I don't trust no bitch
Less they good with my mother
On me, on me, everything on me
Everything for my dawgs
Everything for my cheese
On me, on me, everything on me
Man it's all up on me

Man there's so many fake niggas out here
And there's so many fake bitches out here
I never trust'em cause I'm all about my payroll
I'm all about my payroll
I'm all about my payroll
I'm all about my payroll
I'm all about my payroll
Bitch I'm all about my payroll

```
          I got killers on my payroll
          All my thugs look like day-oh

          Bitch I'm all about them pesos, all about dinero
          Pull up in that all white, that girl can't hear'em
          Brought in that nigga, since he was at Yale
          Niggas wanna hate, hit'em with the rapper dinero
          Dinero, money here goes
          All the nigga knows
          Is you fuck with my bros, I'm pulling out the [?]
          I'm all about the payroll, all about my payroll
          Got killers on my payroll, killers on my payroll yeah

          Man there's so many fake niggas out here
          And there's so many fake bitches out here
          I never trust'em cause I'm all about my payroll
          I'm all about my payroll
          I'm all about my payroll
          I'm all about my payroll
          I'm all about my payroll
          Bitch I'm all about my payroll
          I got killers on my payroll
          All my thugs look like day-oh

          Bitch I'm all about them pesos, all about dinero
          Pull up in that all white, that girl can't hear'em
```
