Ride It

Chrishan

Ride it, ride it, oh, ah
Get borders of patrol, take them to the hair
Got you all … in my bed
Kissing on your neck got your body saying yes
Feeling for you girl I already know you are soaking wet
We was on the phone, you was struck a …
And I'm like already into …
I'm looking at your jew's box I'ma get me some
Got a sin for everybody you're my number one
… I'ma tip you off with a bottle that I already …
Got your legs up, hands handcuffed to the head
But I'ma make you bed for tonight
Ride it, ride it, oh girl you know I fuck a lover right there
Ride it, ride it, … fall out got me singing like
Ride it, ride it, you know what you're doing to me, yeah
Ride it, ride it, brought me to the wheels for love

There is no repeat, baby I'm a piece
3 … girl, you was stuck in sheets and I even couldn't handle ya
And you wanna quit like you're riding on the handle bus
So I'ma gonna take you down for a minute, take you down Chris B
rown for a minute
Now I got you I could … hands to your feet like you're playing
twister
Hold and let me switch you

… I'ma tip you off with a bottle that I already …
Got your legs up, hands handcuffed to the head
But I'ma make you bed for tonight
Ride it, ride it, oh girl you know I fuck a lover right there
Ride it, ride it, … fall out got me singing like
Ride it, ride it,, you know what you're doing to me, yeah
Ride it, ride it, brought me to the wheels for love

Legs up, handcuffs, that is what you make up I don't give a fuc
k yeah X 4

Ride it, ride it, second you know I love it right there
Ride it, ride it, brought me to the wheels for love
Ride it, ride it, you know what you're doing to me, yeah
Ride it, ride it, brought me to the wheels for love, love
Ride it, ride it, yeah, you want?
Ride it, ride it, shout the prayers.
