What U Mad For

Chrishan

Baby baby what you do to me? Shorty's in the night
I thought we thought of a stupid shit every single times
I like wish it for the news it, I can't even lie
I done do this shit, you never quit, you don't even try try
Baby, I just wanna believe in love
Cause baby girl you used to believe in us
All you wanna talk about is who I love
What you showed after that diamond ring
Don't I gave you everything?
What u mad for? Don't I give you everything?
What u mad for? Don't I give you everything?
Put it all to the bed
Don't I give you everything?
To them all with your jealous thing
Don't I give you everything?
What u mad for? Don't I give you everything?
What u mad for? Don't I give you everything?
Put it all to the bed
Don't I give you everything?
To them all with your jealous thing
Don't I give you everything?
Why you can't admit you wrong? You know it ain't right
Now everyone and they mama know you got too much pride
I believed in it way too long
I been letting it right
You and I, don't wanna let you go, I just don't know why

Baby, I just wanna believe in love
Cause baby girl you used to believe in us
All you wanna talk about is who I love
What you showed after that diamond ring
Don't I gave you everything?
What u mad for? Don't I give you everything?
What u mad for? Don't I give you everything?
Put it all to the bed
Don't I give you everything?
To them all with your jealous thing
Don't I give you everything?
What u mad for? Don't I give you everything?
What u mad for? Don't I give you everything?
Put it all to the bed
Don't I give you everything?
To them all with your jealous thing
Don't I give you everything?
What u mad for? Don't I give you everything?
What u mad for? Don't I give you everything?
Put it all to the bed
Don't I give you everything?
To them all with your jealous thing
Don't I give you everything?
What u mad for? Don't I give you everything?
What u mad for? Don't I give you everything?
Put it all to the bed
Don't I give you everything?
To them all with your jealous thing
Don't I give you everything?
