

# Sweet Nuthin'

Chrissie Hynde

Yeah, don't you be such a baby  
Man up to me, I don't mean maybe  
Forever, forever, forever nothin'  
Forever, forever. Sweet nothin'

My standards are such  
I don't expect much  
Just show up roughly when you say  
If you'll have me I'll have you  
That's the bar I measure up to  
I'm good with ok  
I'm good with ok

Don't you be such a baby  
Man up to me, I don't mean maybe  
Forever, forever, forever nothin'  
Forever, forever. Sweet nothin'

I don't need a lie  
To see your other side  
You can save it for your solo album  
I don't even need the truth  
I'm not a spy or a sleuth  
I'm in love with a bum  
I'm in love with a bum, baby

Well don't you be such a baby  
Man up to me, I don't mean maybe  
Forever, forever, forever nothin'  
Forever, forever

Sweet nothin' ooh ooh  
Sweet nothin'  
Sweet nothin' ooh ooh  
Sweet nothin'  
Sweet nothin' ooh ooh

Oh don't you be such a baby  
Man up to me, I don't mean maybe  
Forever, forever, forever nothin'  
Forever, forever

Oh don't you be such a baby  
Man up to me, I don't mean maybe  
Forever, forever, forever nothin'  
Forever, forever

Sweet nothin'  
Sweet nothin' ooh ooh  
Sweet nothin' ooh ooh
