

BRAT

Chrissy Chlapecka

Angel eyes, lips just like a daydream
(So sweet, it makes your heart scream, ah)
The perfect kind, smile so inviting
(Are you sure you wanna try me?)

I'm a brat, 'cause I get what I want when I snap
On top, and it makes you mad
(Smile, baby girl) Don't talk back
Don't say that, shit to a brat
I'm a ten from my tits to my ass
Miniskirt so cute and I'm bad
(Baby girl, can I smash?)
Don't say that, bitch, I'm a brat

Look at me like I'm a meal just lying on a plate
Licks his lips, they're full of shit, I know he wants a taste
All he sees is "Daddy, please" and such a pretty face
I won't go near him, but it's still his lucky day

It's a damn privilege to be
Breathin' the same air, the same air I breathe
On his knees, no pictures please
Tonight, it's just you and your fantasy

I'm a brat, 'cause I get what I want when I snap
On top, and it makes you mad
(Smile, baby girl) Don't talk back
Don't say that, shit to a brat
I'm a ten from my tits to my ass
Miniskirt so cute and I'm bad
(Baby girl, can I smash?)
Don't say that, bitch, I'm a brat

(Baby girl)
Chrissy!

Beggin' and pleadin', I wouldn't care if you're bleedin'
And now he's gettin' too close
I wouldn't touch that man with a ten-foot pole!
Like this? Then pay me, he wanna "If you seek Amy"
And now this guy's gotta go
I wouldn't touch that man with a ten-foot pole!

It's a damn privilege to be
Breathin' the same air, the same air I breathe
On his knees, no pictures please
Tonight, it's just you and your fantasy

I'm a brat, 'cause I get what I want when I snap
On top, and it makes you mad
(Smile, baby girl) Don't talk back
Don't say that, shit to a brat
I'm a ten from my tits to my ass
Miniskirt so cute and I'm bad
(Baby girl, can I smash?)
Don't say that, bitch, I'm a-

B-R-A-T!

I know your girlfriend wants me!

And we're spendin' your money

It's somethin' that you can't teach

B-R-A-T!

I've got her body on me!

I really think it's funny

'Cause now we're swappin' undies

I'm a brat, 'cause I get what I want when I snap

On top, and it makes you mad

(Smile, baby girl) Don't talk back

Don't say that, shit to a brat

I'm a ten from my tits to my ass

Miniskirt so cute and I'm bad

(Baby girl, can I smash?)

Don't say that, bitch, I'm a brat
