

# I'm So Hot

Chrissy Chlapecka

When I wake up alone I can hardly take it  
(You know?)

'Cause I just can't believe I get to see myself naked  
(Head to toe)

'Cause I, I'm my type  
I don't try, and I know just what I like (What I like)  
Do you know? (Do you know?) No, you don't (No, you don't)  
So why would I waste my goddamn time?

I'm, I'm in the mirror thinkin' that between my thighs  
I'm drippin' diamonds, know you wanna taste, but why?  
Why would I bother with touchin' anybody else? ('Cause I'm)  
I'm so hot I'd fuck myself

I'm screamin' out my name and I love to taste it  
(Chrissy, ah)  
Comin' out my mouth, it feels so good to say it  
(Uh, uh, uh, yeah)

'Cause I, I'm my type  
I don't try, and I know just what I like  
Do you know? No, you don't  
So why would I? Nevermind

I'm, I'm in the mirror thinkin' that between my thighs  
I'm drippin' diamonds, know you wanna taste, but why?  
Why would I bother with touchin' anybody else? ('Cause I'm)  
I'm so hot I'd fuck myself

Don't want you to cry when I lead you on  
But wanna see my miniskirt and hot pink thong?  
I was kinda busy, babe, is that so wrong? (Is that so wrong? Is  
that so wrong?)  
I was with me and myself in the shower  
Better hop in, it's gonna take hours  
Three of us girls just playin' with my flower (Flower, flower)

I'm, I'm in the mirror thinkin' that between my thighs  
I'm drippin' diamonds, know you wanna taste, but why?  
Why would I bother with touchin' anybody else? ('Cause I'm)  
I'm, I'm in the mirror thinkin' that between my thighs  
I'm drippin' diamonds, know you wanna taste, but why?  
Why would I bother with touchin' anybody else? ('Cause I'm)
