Chrissy Chlapecka

Take it, take it-take it to the verse

Switchin' sides, there's no "I" in "team" (La, la, la, la)  
It's a crime there's no you in me (La, la, la, la)  
Training time for the big league (La, la)  
Bat my eyes at the M-V-P

Be aggressive! B-E aggressive!  
Switch positions, that's what I'm missin'!

Me on top, we play skins, no shirts  
I won't stop 'til I feel the burn  
We're so hot, we're taking turns  
My cheerleader (It's her on me), it's me on her

At this rate, you'll make varsity (La, la, la, la)  
Shootin' straight to the heart of me (La, la, la, la)  
Got a taste of victory (La, la)  
Take her down, count it, one, two, three

Be aggressive! B-E aggressive!  
Switch positions, you're so impressive!

Me on top, we play skins, no shirts  
I won't stop 'til I feel the burn  
We're so hot, we're taking turns  
My cheerleader, it's me on her  
And I'm comin' in first  
Me on top, we play skins, no shirts  
I won't stop 'til I feel the burn  
We're so hot, we're taking turns  
My cheerleader (It's her on me), it's me on her
