

# I Found a Friend

Chrissy Metz

I found a friend, I found a friend, I found a friend in you  
I found a friend, I found a friend, I found a friend in you

Someone to say, can you come play, when we've got all afternoon  
Someone that sees, the best in me, even if I'm feeling blue  
Yeah, together there ain't nothing we can't do

I found a friend, I found a friend, I found a friend in you  
I found a friend, I found a friend, I found a friend that's true

Someone I can laugh with  
And I can be my whole self with  
I found a friend, I found a friend, I found a friend in you

Just being there, shows me you care, and that makes me feel good  
So, when you need me, you know I'll be, right there if you look  
Oh, I'll be there for you just like I should

I found a friend, I found a friend, I found a friend in you  
I found a friend, I found a friend, I found a friend that's true

Someone I can laugh with  
And I can be my whole self with  
I found a friend, I found a friend, I found a friend in you

Together there ain't nothing we can't do  
Yeah, together there ain't nothing we can't do

I found a friend, I found a friend, I found a friend in you  
I found a friend, I found a friend, I found a friend in you
