

# Hellspawn

## Christ Agony

Kingdom of mine  
Is beauty and blood

Kingdom of mine  
Is pride and power  
Eternity they are

- No mercy I have  
For those  
Who mock their name  
Of the only

- Despise  
for those  
Disrespecting death

Delight on lips  
Dark's spawn  
My sperm

Silent crown  
Above my head  
Torment it circles  
And pain
