

Protestors

Christafari

Inspired by Proverbs 24: 11, Psalm 82: 4, Psalm 139: 13-14 and Isaiah 44: 24
.

Troy Anthony: Can't you see what is happening today? So many human beings, their lives have been thrown away

David Fohe: I can't take it no more. We got to fight and pray / We won't stop until we see change

Ricardo Clarke: Don't close your eyes to what is happening today / We got to fight / We got to pray

Jennifer Howland: We got to pray now

Dominic Balli: Just save a life / Don't throw it away / Purpose is calling on you today

We are the protesters / We are the protesters

Ricardo Clarke: We're fighting for the lives of those without a voice

We are the protesters / We are the protesters

Troy Anthony: We're fighting for the rights of those without a choice.

Lynette White: Now what about traumatic circumstance? Every life deserves a chance. Jah (God) hears you bawl out Violation. He'll dry your tears and bless creation.

Lynette White and Avion Blackman: His love is real / His love can heal / His Love is real / His Love will heal

Jennifer Howland: Answer the cries that long to dream. And let justice flow into the stream

Kristine Alicia: Let righteousness be the seed of our souls. As destiny makes evil overthrown

We are the protesters / We are the protesters

Landlord: We're fighting for the lives

Dominic Balli: Of those without a voice

We are the protesters / We are the protesters

Dominic Balli: We fighting yeah / We're fighting for the rights of those without a choice.

Avion Blackman: A voice for the voiceless and hope for the innocent / So many daughters and so many sons

Jennifer Howland: A voice for the voiceless / A cry for the infants / We cannot shed no more blood!

Firekid: Blood! / It's upon the hands of our nations / Blood! / It's upon the doctors and the patients / Blood!

Mark Mohr: So tell me why you wanna kill creation? / Blood! / It's time to make a statement!

Prodigal Son: Me have two lines max on this well-worthy track / I am not paying my taxes so that they can cover abortion acts

DJ Counsellor: Them put a knife in your womb and make a crime scene / But this life inna you is a human being

Christian Massive: That one ya name first child, second, third or fourth / You really don't know who's life you abort / Could be a lawyer, doctor, preacher or priest / Right now me command you to cease!

Mr. Lynx: Hear me now! / Young lady, don't you let them kill your baby / Oh no / Young woman, you better use caution

Roge Abergel: They want to school you / But don't let them fool you / The solution is never abortion

Mark Mohr: This is a silent holocaust / Who is gonna mourn the lost? / Of 50 million innocent gone / A silent holocaust

Solomon Jabby: Who is gonna mourn the loss? You're killing our future generation.

We are the protesters / We are the protesters

Prodigal Son: We're fighting for the lives of those without a voice

We are the protesters / We are the protesters

Dominic Balli: We fighting, we fighting yeah

Mark Mohr: We're fighting for the rights of those without a choice.

JSquare: Save the sons and me say save the little daughters / Save the pickney (children) that are inside of their mother

Jubilee Fohe: Rescue the ones being carried to the slaughter / So they will see tomorrow!

Reubin Heights: A voice for the voiceless / A cry for the innocent / So many daughters and so many sons

Mr. Lynx: A voice for the voiceless / A hope for the infants / We cannot shed no more innocent blood!

Monty G: The precious life of a baby / Tell me why you take it? / Innocent blood you a shed that no make it / Judgment of the Most High you won't escape it / Curses of our ancestors come let us break them

Papa San: (We're) begging you to stop it now / How can you kill and say you love? / (We're) begging you to stop it now / Remember that life is in the blood / (We're) begging you to stop it now / Don't diss the Man that's up above (God) / You can't wash off your sins in a tub woe!
