Well don't you know that Christ come and tell you that the things that you have heard--the Word Go tell it from the rooftop The Bible come and tell you that the things that Him proclaim--don't be ashamed / Go tell it up from the roof! SHOUT CHORUS: Pon the rooftop 'Pon the rooftop 'Pon the rooftop Go tell it 'pon the rooftop 'Pon the rooftop 'Pon the rooftop 'Pon the rooftop Go take it up 'pon the roof Well now the words that me talk them a dead fe serious / Just imagine if you had the antivirus of the HIV, cancer or the AIDS Would you be quiet or would you proclaim? Even worse is the epidemic that them call sin Without the sacrifice of Christ we can't be forgiven, ah forgiven Through Christ I'm living And so me take it up on roof CHORUS: Rooftop take it upon the rooftop To the rooftop take it up 'pon the rooftop Rooftop take it upon the rooftop To the top, to the top go on take it to the top (Repeat) VERSE 3: You see the Bible come and tell you that the things that you have heard: the Word Go tell it from the rooftop And Christ come and tell you that the things that Him chat bout-go shout Proclaim it from the rooftop! (SHOUT CHORUS) VERSE 4: Not the top of the charts nor the top of the list Not the top of the food chain or the top hits Not the top of the top or the top of the world Just the top of the roof so the Word can be heard So I'm not ashamed to proclaim His Name it's the power of God through which I've been saved And I'm not ashamed to proclaim His Name it's the power of Christ through which I've been saved! (CHORUS) Now the Gospel means good news and the best news is Christ, Jesus born of a virgin was a good teacher, lived a perfect life Crucified for our sins--atoning sacrifice Resurrected and instructed, then Him ascend 'pon high 'pon the clouds and Him a come back in the same way Well nobody knows the hour, neither them know day But we anxiously await our Lord to return from high Until that day don't you know that we shall cry... (CHORUS) (VERSE 3) (SHOUT CHORUS) (VERSE 4) (CHORUS).
