

Seasons Of Love

Christian Bautista

I never new love existed this way
That my dreams will be a better reality
I never thought that round and round in pain
Will I ever be this happy

I didn't plan, I didn't see
I never thought that I would fall for you
So deep
And this time around
I'll let my heart take it's chance

Your my season of love, my season of love
Until another life this love will forever last
It's the best thing that ever happened to me
There's no place I'd rather be, only by your side is where I wa
nna be

The sweetest gift, greatest for all
To you I vow to give my all
Heaven said for me you would get
What else could I ever ask for

I didn't plan, I didn't see
I never thought that I would fall for you
So deep
And this time around
I'll let my heart take it's chance

Your my season of love, my season of love
Until another life this love will forever last
It's the best thing that ever happened to me
There's no place I'd rather be, only by your side is where I wa
nna be

Ooohhhh woohhhh oooooohhhh, woooooohhhhhh
And this time around
I'll let my heart take it's chance

Your my season of love, my season of love
Until another life this love will forever last
It's the best thing that ever happened to me
There's no place I'd rather be, only by your side is where I wa
nna be
