

The Millenium Unwinds

Christian Death

Thorns in your brow
Splinters in your back
On the Tigris and Euphrates side of Iraq

Disciples betray their new lord
Ayatollahs, presidents transcend the Golden Horde

The Oracle of Delphi,
The revelations of John,
Nostradamus, Edgar Cayce,
On and on and on and on

Seeds of evil
Sprout in your mind
Crawl on your belly
The millennium unwinds
The millennium unwinds
