

# Keeping Up With The Joneses

Christian French

Tried to keep up with the joneses  
Left me feelin hopeless  
There'll always gonna be a next best thing

But meeting you was potent  
Changed me in a moment  
Knew I could let go of everything

Used to think that money  
Would make somebody want me  
And love was another expensive dream

Now my credit cards are frozen  
No houses by the ocean  
But I'm okay as long as you're with me
