

# You're Still The One

Christian Lee Hutson

Looks like we made it  
Look how far we've come, my baby  
Might've took the long way  
We knew we'd get there someday  
They said, "I bet they'll never make it"  
But just look at us holding on  
Still together, still going strong

(You're still the one)  
You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
(You're still the one)  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night

Ain't nothin' better  
We beat the odds together  
Glad we didn't listen  
Look at what we would be missing  
They said, "I bet they'll never make it"  
But just look at us holding on  
Still together, still going strong

(Still the one)  
You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
(You're still the one)  
Still the one that I love  
The only one I dream of  
You're still the one I kiss good night

(Still the one)  
You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
(You're still the one)  
You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night

So glad we made it  
Look how far we've come, my baby
