

WALZHI

WALZHI

With the moment right  
future's bright  
Just another red light  
As I do  
swichin' to  
some Dee-Jay's playing too tight  
In my own room  
late afternoon  
I lay down to think it all out  
I'm the man  
follow my plan to, to a place where  
I don't want to mess your mind  
I don't give you any hesitation time

Chorus:

1 2 3 get together people  
have a taste of me  
1 2 3 walzhi's back for more  
in perfect harmony

WALZHI

WALZHI

Dum dee-dee-dee 1 2 3  
No one said it was that easy  
Follow me in Tennessee  
I'm sure I'm money on your TV  
I don't want to mess your mind  
I don't give you any hesitation time

Chorus

WALZHI
